YOUR DREAM OUR MISSION

Our Process

From understanding a client's needs through to the construction and interior design phases, to delivering a home ready for occupation, MGW utilizes the diverse skills of its multi-talented and diverse team to deliver each project to the same exacting high standards.

Standards

We specialise in refurbishment of residential properties located in prime central London. We have a portfolio of well over 100 projects in premier locations. At MGW we know the importance of making sure that the project is completed at or ahead of schedule. We will always aim to finish the project in good time without compromise in quality.

What we do

Carpentry

Our experienced carpenters and management team will ensure that all your expectations are achieved within your budgets. All our projects are undertaken at a very high standard and with high attention to detail, while still maintaining a competitive edge on price.

MGW work in all aspects of the construction industry sector, covering education, leisure, retail, industrial, health, social housing, refurbishment fit out, and new build properties.

Tiling

Whether you're renovating a kitchen, bathroom, wet-room or simply adding detail to your home, our domestic tiling service offers endless possibility. With a team of experienced & qualified tilers in London, quality is always central to our projects.

Although achieving a high-quality tiling finish is important, equally, we pride ourselves on offering thoughtfully curated tiling solutions at reasonable prices.

What we do

Roofing

MGW's team specialise in installing, cladding and rain-screen systems to new build and refurbishment projects in London. Our team is highly qualified to meet the requirements needed to deliver a wide range of projects.

Full Refurbishment

MGW covers a complete range of conversions and refurbishment projects. With a professional team of fitters that take pride in their work and with our knowledge and experience we will be happy to assist you in your decision making.
